Bay of Plenty

Adventure Bay of Plenty School Programs

We would like to offer your school the chance to participate in our school programs .

Why use Adventure Bay of Plenty:

- We provide a wide range of activities that will challenge your students. Teach them team work, communication skills and building their confidence.
- All done in a safe environment but making it fun and allowing kids to be kids.
- We have an extensive knowledge of the history and culture and wildlife of the Bay of Plenty.
- This provides another level of learning while participating in the activities.
- We are great with students, always friendly and professional. Keen to assist with other tasks required for camp.
- We have comprehensive RAM'S', SOP'S and Health and Safety guidelines
- Our kayaks are top of the line ocean expedition kayaks keeping safety to an optimum level enabling us to explore a variety of locations.
- We provide bikes and helmets.
- We provide all the safety equipment and maintenance.
- EOTC, activities for camps

We provide the flexibility to run our programs in multiple locations which include:

- Locally based in the Bay of Plenty
- Matakana Island
- Mayor Island
- We can come to you
